

SPRING Plant Exchange

Helping make your garden grow!

The Lindenhurst Environmental Commission will be hosting a spring plant exchange. If your planting beds are getting crowded, bring some in to share with others. If you need a new plant, stop by and find one for your garden. In addition, you can also bring seeds, bulbs, garden books and magazines to exchange with other gardeners.

When: May 20, 2017
10am-Noon, rain or shine

Where: Village Hall/Public Works,
2301 E. Sand Lake Rd.

No invasive plants, please!
