A MESSAGE FROM THE MAYOR

Dear Residents,

It is finally spring! We have many different events coming up as the weather gets warmer. The Lake Villa Police Department will be hosting their FIRST EVER Cop on a Rooftop at the Lake Villa Dunkin' on Friday, May 16th from 5am-12pm in support of the Special Olympics of Illinois.

The Lake Villa/Lindenhurst Community Partners have planned their Live Music in the Park series. The concerts will be at the Lehmann Mansion, Parkman Pavilion & Caboose Park. The first concert is scheduled for June 4th from 7-8:30pm at the Lehmann Mansion. Performing that night is "Lara Bell". On June 11, "Classical Blast" will be performing at Parkman Pavilion.

The 2025 Miss Lake Villa Pageant will be on Sunday, June 1, 2025 at the Lehmann Mansion. The exact time is still to be determined. This cherished tradition celebrates the talents, confidence, and achievements of young women in our community. More details will be on the Miss Lake Villa social media accounts.

Get ready to kick off your weekends with a fresh and flavorful experience right here in Lake Villa! We're excited to introduce our Fresh Friday Farmers Markets, a new event series that brings the best of local produce, handmade goods, and community vibes in Lehmann Park on Friday, June 27, July 25, August 29, & September 26 from 2-6pm.

The Village's Annual Celebration of Fall will take place on Saturday, September 6, 2025 from 3pm-8pm, followed by fireworks. Applications will be available starting the beginning of April.

SANITARY SEWER CLEANING

Our Public Works staff will be accessing utility easements and right of ways that could run along some side yards or backyards while they are doing sanitary sewer cleaning and televising as part of a preventative maintenance plan.

HYDRANT FLUSHING

The Village performs hydrant flushing in mid to late April. Signs will be posted as a reminder. You may experience rusty water or a temporary change of the water pressure during this process. If you notice rust in your water, let your water run for a few minutes until it clears. Avoid doing laundry when rust is visible in the water.

WATER METER REPLACEMENT

The Village has planned a water meter replacement scheduled to exchange all aging meters by the end of 2027. Please see the village website for the timetable and zones. A letter will be sent when working in your area to schedule an appointment. Please make sure you exercise your valves and verify they are in working condition. Please call the Village with further questions.

BE A GOOD NEIGHBOR AS SPRING SEASON IS APPROACHING

Residents take pride in their properties and neighborhoods and often contact Village Staff with concerns about issues they feel impact the character and appearance of the community - Here are some helpful reminders we can all take to be a good neighbor:

- **Maintain landscaping & weeds** - Grass/lawns should not exceed 8 inches in height. Please keep your shrubbery and trees in good health and condition, especially when it encroaches over public sidewalks.
- **Ensure vehicles are operable and parked** - Vehicles, including recreation vehicles, boats and trailers, should be parked on hard surfaces (pavement, concrete, etc.) at all times. They should be operable (no flat tires) and properly licensed.
- **Garbage and outdoor storage** - Garbage must be disposed of in an approved covered container and can only be placed at the curb on scheduled pickup days. If you are storing materials outdoors, ensure they are stored in enclosed containers or properly covered.
- **Keep structures and property in good conditions** - All buildings, exteriors, and accessory structures, including windows, doors, sheds, fences, garages, pools, siding, etc. must be kept in good and safe repair. Rental inspections are required prior to a tenant moving into a rental property.
- **Keep swimming pools clean and in good repair** - All swimming pools are required to be maintained in a clean and sanitary condition, and in be good repair.
- **Follow construction hours carefully** - Ensure construction activity on your property is limited to 7am - 8pm Monday-Friday, 8am - 8pm on Saturdays, and 9am - 8pm on Sundays.
- **Keep lights turned down low** - Outdoor lights shall not illuminate onto adjacent property owned by another person. Please make sure your outdoor lights, including any flood lights, are pointed downward so as not to spill onto adjacent yards.

If concerns arise, talk with your neighbor! Your neighbor may not realize that a condition on their property is causing a concern. Communication and consideration are key. For more information, you may contact the Village at 847-356-6100.
