President's Letter

The beginning of a new year is typically a time we reflect on the past year and continue to plan events for the new year. As I step away from serving the LVHS as President the past 12 years (2005-2017), it is with a satisfaction that this organization has grown in many ways. In 2005, LVHS operated from a file cabinet at the Village Hall, volunteers accessioned donations on Thursday afternoons, membership meetings were held at the Village Hall. Also in the Fall of 2005, Vintage Views Volume 1.0 was published by Lori Heitman and sponsored by the Lake Villa Community Bank. In 2006 we held an Open House and Grand Opening for the LVHS at 113 Cedar Avenue, in conjunction with the St. Patrick's Day Parade.

The Lehmann Mansion float was visible in local parades to increase LVHS visibility.

We quickly gained access to the internet, Bud and Joanne Osmond created our website and Julie Stanley added Facebook .

We hosted Civil War reenactments at Lehmann Mansion from 2005-2011. This was a successful fundraiser each year except 2008 when torrential rains basically washed the event away. Eddie Bauer stepped in at that point offering to donate "A Private Dinner for 20" as a fundraiser for LVHS to compensate for the lost revenue. The drawing of a winner for the annual raffle of this gourmet dinner continues to be a much anticipated event each winter.

November 1, 2011, the Lake Villa Township Rescue Squad donated the original Lake Villa Rescue Squad building located at 223 Lake Avenue to LVHS providing much needed space for display of Lake Villa artifacts, a meeting place, storage and parking. With the financial obligation to renovate this building, the Board of Directors voted to discontinue hosting the Civil War Days. Smaller fundraisers were needed which were less labor intensive for our small membership, but which would provide necessary funds for day to day operation and the remodeling project at 223 Lake Street.

Thanks to the tradesmen who volunteered their time and expertise completing electrical work, painting, plumbing, etc. we were able to move in during the Summer of 2013. The kitchenette and cabinets would be added in 2014.

Breakfast With Santa has been going strong since 2012 when the Lake Villa Township Lions Club offered to co-host a pancake breakfast. As a community service project, they would cook the breakfast (and provide the Santa). Hosted in the Lehmann Mansion beautifully decorated for Christmas, it is a fundraiser we hope to continue for many years.

And so, we find ourselves in January, 2017. Membership has grown to 173 members and 6 businesses. Congratulations to the Board of Directors and membership for their hard work and dedication to the success of the Lake Villa Historical Society.

My heartfelt thanks to the Lake Villa Historical Society Board of Directors for their dedication and hard work as we continue to serve the community by collecting and preserving documents and artifacts that reflect the richness of Lake Villa's history Thanks for the memories!

Proposed changes to the LVHS Bylaws:

The LVHS Board of Directors is proposing to change the bylaws for electing Board of Director positions. The thought is to change the length of terms from 2 years to 3 years so that terms of Board Members would be staggered to avoid the potential of losing half of the Board in a single year. Another proposal is to change the process that members would vote for Board of Directors

positions, and then, the Board of Directors would elect the officers such as President, Vice President, Secretary, and Treasurer each year. The hope is that Board Members are more likely to commit to a one year officer appointment versus having to commit to 3 years. The new bylaws would change the date of the election to the April meeting instead of the February meeting, when the weather tends to deter attendance and meetings have the potential to get canceled.

We hope that these changes will help encourage more involvement in the LVHS, resulting in a more sustainable organization.

The proposed changes will be e-mailed to members. Paper copies will be available in the Village Hall and at LVHS for members to pick up.

Thanks for the memories...

Reading the message from President Sue Cribb, it is amazing how fast time marches on. Under Sue's guidance the Historical Society has accomplished so much in the past twelve years. Although Sue is stepping down from her role as President, she will still be on the ballot to be on the Board of Directors. Alyce Brownlee and Elaine Teltz will leaving their positions as Vice President and Secretary. These three ladies have contributed so much time and hard work to building the LVHS. Thank you all, for the memories...or should it be said, for the history.

They say a picture paints a thousand words, so let's take a look at some of the activities that they have participated in over the last 12 years:
