Village Views

Welcome From The Mayor

Dear Residents,

Since this newsletter is devoted to the village's most significant historical landmark, I want to welcome you to the "new" Lehmann Mansion. What could possibly be new about a 103 year old building you might ask? It is a new level of public accessibility. It will have more community activities and new events like concerts, dinner theater and cooking class offerings to name a few. And a newly redesigned pricing schedule will allow more affordable opportunities for large events such as weddings and corporate gatherings as well as smaller functions like showers and anniversaries. And an additional Lake Villa resident discount is also available.

Remember rooms of all sizes are available to meet your requirements. A tent, that will accommodate in excess of 300 people as well as multiple medium and small party rooms are available. A new conference room is also available with state of the art technology for business or corporate needs.

We are all very excited about the future of the Lehmann Mansion as a new venue for many new activities. So please refer to the website and newsletter for upcoming events.

Hope to see you there.

Respectfully,

Frank M. Loffredo
Mayor
