A MESSAGE FROM THE MAYOR

Dear Residents:

Pardon our dust! Plans are in the works to complete many capital improvement projects around the Village. Here are a couple of projects underway:

Downtown Improvements: The downtown Cedar Avenue improvement project is in the final phase this year. The project will include new sidewalks, decorative street lights, landscaping, benches and new signage branding in the business district. It is important to note that the businesses on Cedar Avenue will be open while we spruce up the downtown area.

The purpose of this project is to attract new business as well as make it easier and safer to walk in the downtown area and to the Metra Station.

Pedestrian Improvements: The construction on the Grass Lake Road sidewalk project is in full swing. This project includes installation of a sidewalk heading west on Grass Lake Road from the Deep Lake Road intersection to the Oakland Ridge subdivision... This is a joint project between Lake County, Lake Villa Township, Community District 117, School District 34 and Village of Lake Villa. This project, anticipated to be completed in July, will provide a pedestrian friendly route from the subdivisions of Oakland Ridge and Painted Lakes to Oakland School and Lakes High School.

These projects represent continued efforts to make Lake Villa more pedestrian friendly.

We hope to see you at Celebration of Summer in Lehmann Park on June 8th for our annual Concert and Fireworks!

Respectfully,

Jim McDonald
Mayor
