A MESSAGE FROM THE MAYOR

Dear Residents:

The Lake Villa Police Department would like to advise residents of our Community Policing Program. This program is designed to promote a partnership and facilitate communication between the residents and the police department. The Lake Villa Police Department wants to give the citizens a contact within the department that they can use for non-emergency reasons. Each subdivision is assigned a neighborhood police officer that the resident can contact. You can ask questions, report activity (speeding vehicles, graffiti, extra patrol requests, etc.), give anonymous tips regarding criminal or suspicious behavior, or other general concerns. This program is not meant for in progress or emergency situations. Please call 9-1-1 for emergency assistance or 847-356-6106 for non-emergency.

Below is a list of the subdivisions and the police officer that is assigned to that area. You can reach the officer by email or by calling 847-356-6106 and leaving a message at their extension. Please understand the officer may not be working so it may be a few days before he/she is able to return your message. If you do not live in a subdivision, Sgt. Tisinai is your assigned officer. If you have any general questions about the program, please contact Sgt. Tisinai at ext 401 or e-mail listed below.

GENERAL INFORMATION

SWIMMING POOL GUIDELINES:

Chlorinated water discharged directly to surface waters (wetlands, lakes, streams, and rivers), roadways or storm sewers has an adverse impact on local water quality and wildlife. High concentrations of chlorine, as are present in swimming pools, are toxic to wildlife and fish. Appropriate preparations should be made prior to draining a pool. It is recommended that one of the following measures be used:

De-chlorinate the water in the pool prior to draining. This can be done through mechanical or chemical means. These types of products are readily available at local stores. Or, drain the pool over a period of several days across your lawn using the following additional guidelines:

1) Allow pool water to sit at least 2 days while receiving a reasonable amount of sunlight, and without further addition of chlorine or bromine. It is recommended that the chlorine level be tested after 2 days to ensure that safe levels are met (below 0.1 mg/l).

2) Pool discharge should be directed across your lawn, not down your driveway or into nearby storm sewer inlets. The storm sewer system leads directly to wetlands, streams, lakes or rivers.

These recommendations are based on guidance from the Illinois Environmental Protection Agency. Visit www.epa.state.il.us/water for additional information.

BRANCH PICKUP

Waste Management will be collecting branches on your normal garbage day. Branches must be bundled and tied together in no longer than four foot lengths and should not weigh more than fifty pounds. An unlimited amount of bundles may be placed at your curb for collection.

YARD WASTE STICKERS

Do you have yard waste to dispose of? Yard waste stickers are now available in the Village Hall. Stickers are \$2.22 each. Note that only cash or checks can be accepted.

Just place your yardwaste in Kraft style yardwaste bags, place the sticker on the bag, and leave at your curb. Waste Management will pick it up on your normal garbage day.

RENTAL UNIT INSPECTIONS REQUIRED

Do you rent out your home? To ensure that rental dwelling units are habitable and safe for tenants, a building and life safety inspection is required before a new tenant can occupy the rental unit. This effort includes the owners of these units obtaining a certificate of occupancy from the Village of Lake Villa. For more information, please contact the Village at (847)356-6100.

MISS LAKE VILLA PAGEANT

The Miss Lake Villa Pageant was held at the Lehmann Mansion in June. Contestants were judged on interviewing skills, modeling, public speaking, grace and poise. Contestants were also required to answer impromptu questions from the stage. The girls ranged in age from 6 to 8 years old for the Little Miss competition; 11 to 13 years old for Junior Miss; and Miss Lake Villa contestants were 16 to 21 years old. Congratulations to our new Queens!
