

PRESS RELEASE

Changes in Public Meeting Protocol

FOR IMMEDIATE RELEASE

April 17, 2020

Karl Warwick

Village Administrator

Lake Villa, IL. Lake Villa officials announce that public meetings will no longer be open to in person public attendance, as a result of concerns over the COVID-19 pandemic. The public will be provided a dial in number and access code on each meeting's agenda. This will enable the public to listen to all public meetings from their home. Public comments may be submitted to webmaster@lake-villa.org up to two hours prior to all meetings.

This protocol will be in place until the COVI-19 pandemic is lifted regarding modified procedures for public meetings, as instituted by the State of Illinois.
