

DUNKIN' COP ON A ROOFTOP

The Lake Villa Police will be partnering up with Lindenhurst Police at the Lindenhurst Dunkin' located at 3200 Sand Lake Road to rally support for the Special Olympics athletes. The 2023 Cop on a Rooftop event is scheduled statewide for Friday, May 19th from 5am to 12pm. Each guest who makes a donation will receive a coupon for a free donut. Guests who donate \$10 or more will receive a Dunkin' Branded Travel Mug and a coupon for a free medium hot coffee.

Cop on a Rooftop
Dunkin' (3200 Sand Lake Road, Lindenhurst, IL)
Friday, May 19th
5am - 12pm

2023 marks the 20th Anniversary of the Dunkin' and Illinois Law Enforcement Torch Run for Special Olympics Illinois partnership. This partnership has been a huge success over the years; in fact, more than \$7.6 million has been raised in Illinois!

A MESSAGE FROM THE MAYOR

Dear Residents,

Now that winter is behind us, here are some of our community events for 2023. The annual Easter Egg Hunt at Lehmann Park will be held on Saturday, April 1, 2023 at 11am. Children will be separated into age groups; 2 and under, 3-4 years old, 5-6 years old, and 7-8 years old. Be sure to bring a basket and your cameras. Free parking is available at the Metra train station parking lots.

The Lindenhurst/Lake Villa Community Partners have planned their Live Music in the Park series. The concerts will be at the Lehmann Mansion, Parkman Pavilion, Caboose Park and the Lake Villa District Library. The first concert is scheduled for June 7, from 7-8:30pm at the Lehmann Mansion. Performing that night is "The Breakfast Club."

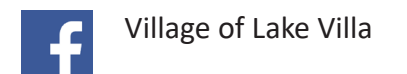

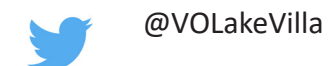

The 2023 Miss Lake Villa Pageant will be Tuesday, June 27, 2023 at 7 p.m. at the Lehmann Mansion. Candidates will participate in an interview with a panel of judges as well as displaying their personality, presentation skills, & character. They will also answer impromptu questions on the stage. The contestants range in age from 6 to 8 years old for the Little Miss; 11-13 years old for Junior Miss; and Miss Lake Villa contestants are 16-21 years old. Miss Lake Villa Pageant applications will be available on June 1st, 2023 on the Village website at www.lake-villa.org or at the Village Hall for those wishing to participate.

The Village's annual Celebration of Fall event will take place on Saturday, September 9, 2023 from 3pm - 8pm, followed by fireworks.

For more updates on what is going on around the Village, follow my facebook page @Mayor James McDonald.

Respectfully,

Jim McDonald, Mayor

Village of Lake Villa

CALL BEFORE YOU DIG

Know what's below. Call Before You Dig. Call JULIE at 1-800-892-0123 to ensure you don't hit an underground utility.

YARD WASTE PROGRAM

Yard waste pick up begins April 3rd and goes through December 1st. Yard waste stickers are now available in the Village Hall. Stickers are \$2.48 each. Just place your yardwaste in Kraft style yardwaste bags, put the sticker on the bag, and leave at your curb. Waste Management will pick it up on your normal garbage day.

Residents can also call Waste Management for an annual subscription at 800-964-8988. The annual subscription is \$78.78.

HYDRANT FLUSHING

The Village performs hydrant flushing in mid to late April. Signs will be posted as a reminder. You may experience rusty water or a temporary change of the water pressure during this process. If you notice rust in the water, let your water run for a few minutes until it clears. Avoid doing laundry when rust is visible in the water.

WHAT'S HAPPENING AROUND THE VILLAGE

EMPLOYMENT OPPORTUNITY PART-TIME SEASONAL PUBLIC WORKS

The Village is seeking applicants for a part-time Seasonal Public Works Employee for the spring and summer months.

Interested candidates should submit an application to the Administrative Services Director at smichael@lake-villa.org. The position will remain open until filled. For more information please visit our website or call the Village Hall at 847-356-6100.

VILLAGE TO RESUME ELECTRICAL AGGREGATION PROGRAM

The Village of Lake Villa plans to restart its electrical aggregation program this summer. This means that residential and small business customers will receive a fixed rate of 7.45 cents per kilowatt-hours (kWh) from MC Squared Energy Services (mc2) for a 14-month period. This rate compares to the current ComEd rate of 9.665 cents/kWh. The reduced rate will be in effect for billing cycles starting June 2023 and ending after August 2024.

Most residents will be enrolled in the program automatically and at no cost, unless they receive a special class of service from ComEd. Residents will receive notifications about the pending transfer and how it may affect them in early April.

Importantly, ComEd will continue to send monthly bills and maintain responsibility for delivering energy to customers and is responsible for service issues and emergency repairs.

LEAD SERVICE LINE IDENTIFICATION INITIATIVE & SURVEY

Recently, the Federal Government mandated that municipalities must find out where lead services are located throughout the community to begin the process of eliminating them. Lead, unlike other drinking water contaminants, is usually not present in the drinking water source. It results from the distribution system or on-site plumbing itself. Lead gets into water at the tap when water corrodes lead in pipes, fixtures, and solder. The most impactful way to reduce the risk of exposure to lead in drinking water is to remove the lead service line that brings water to your home from the water main.

To find out if you have a copper, lead, or galvanized steel service on your property, you can perform a test on the water service line where it connects to the water meter to determine the material of the water service line on your property.

The Village of Lake Villa is surveying all homes to identify existing lead service lines. Please complete the brief Water Service Line Material survey to determine the material composition of your water lines by using the QR code below.

For any further questions, please call the Village at 847-356-6100.
