CELEBRATION OF FALL

A MESSAGE FROM THE MAYOR

Dear Residents,

This summer has started with many events and activities. The popular Community Partners Concert in the Park series will end on August 30, 2023 at Lehmann Mansion at 7:00pm. I hope you enjoyed the concert series this year and the benefits of intergovernmental relationships that allows these concerts to occur.

Three years ago, the Village started the Picnic in the Park series to allow people to enjoy eating outside, listening to live music and connecting with others. Because of the popularity of these, the Village has continued this event this year. On Saturday, August 12th, the Village will partner with the Lehmann Mansion for one of our Picnic in the Park events. Nashville's own, Ryan Jesse, will be playing from 6:30-9:00pm at the Lehmann Mansion. We also have another Picnic in the Park event on Saturday, September 23rd in Lehmann Park from 5:00pm to 9:00pm with live music from Sk8r Boyz.

This year the Village's Annual Celebration of Fall event will occur on Saturday, September 9, 2023 in Downtown Lake Villa and Lehmann Park from 3:00 - 8:00pm. This event will include adults and kids games, live music, pumpkin painting, bounce house, hay rides, numerous food and drink vendors and more. Please monitor our social media accounts, located at the bottom of this page, for updates on this event. Free parking will be available at the Metra Station. At dusk, the Village will launch fireworks at Lehmann Park, immediately following the Celebration of Fall event.

I would like to remind residents of the Police Department's Neighborhood Policing Program. This program is designed to promote a partnership and facilitate communication between the residents and the Police Department. This program gives the citizens a contact within the Department that they can use for non-emergency reasons. Each subdivision is assigned a neighborhood police officer that the resident can contact which is located on the back of this newsletter. You can ask questions, report activity (speeding vehicles, extra parol requests, etc.), give anonymous tips regarding criminal or suspicious behavior, or other general concerns. This program is not meant for in progress or emergency situations. Please call 9-1-1 for emergency assistance or 847-356-6106 for non-emergency assistance.

For more updates on what is going on around the Village, follow my facebook page Mayor James McDonald.

Respectfully,

Jim McDonald
Mayor

WHAT'S HAPPENING AROUND THE VILLAGE

MISS LAKE VILLA PAGEANT

The Miss Lake Villa Pageant was recently held at the Lehmann Mansion. Contestants were judged on interviewing skills, modeling, public speaking, grace and poise. Contestants were also required to answer impromptu questions from the stage. The contestants ranged in age from 6 to 8 years old for the Little Miss competition; 11 to 13 years old for Junior Miss; and Miss Lake Villa contestants were 16 to 21 years old. Congratulations to our new Queens!

GUIDELINES FOR DRAINING YOUR POOL

Your swimming pool is filled with chlorinated water. Chlorinated water discharged directly to surface waters (wetlands, lakes, streams, and rivers), roadways or storm sewers has an adverse impact on local water quality. High concentrations of chlorine, as are present in swimming pools, are toxic to wildlife and fish. Appropriate preparations should be made prior to draining down a pool during pool winterizing. It is recommended that one of the following measures be used:

- De-chlorinate the water in the pool prior to draining. This can be done through mechanical or chemical means. These types of products are readily available at local stores.

- Drain the pool over a period of several days across your lawn using the following additional guidelines:

- 1). Allow pool water to sit at least 2 days while receiving a reasonable amount of sunlight, and without further addition of chlorine or bromine. It is recommended that the chlorine level be tested after 2 days to ensure that safe levels are met (below 0.1mg/l)

- 2). Pool discharge should be directed across your lawn, not down your driveway or into nearby storm sewer inlets. Our storm sewer system leads directly to wetlands, streams, lakes or rivers.

These recommendations are based on guidance from the Illinois Environmental Protection Agency. Visit www.epa.state.il.us/water for additional information.

OPEN BURNING

Pursuant to Village Ordinance, open burning is prohibited within the corporate limits of the Village. The open burning ban includes leaves, yard waste, garbage, and tires. Residents conducting an open burn in violation of this Ordinance may be ticketed.

PICNICS IN THE PARK

Join us for live music and great local food. The Village has partnered with the Lehmann Mansion for a Picnic in the Park event. Ryan Jesse, an up-and-coming country singer, will be performing at the Lehmann Mansion from 6:30-9:00pm.

On September 23rd in Lehmann Park, the Village has planned another Picnic In The Park with music from Sk8tr Boyz. The picnic is from 5:00-9:00pm with live music from 6:00-9:00pm.

BLOCK PARTIES

If your subdivision is having a block party before the summer ends, please let our Police Department know. The officers will stop by and hand out goodies to the kids, and will give a tour of the squad car.

CELEBRATION OF FALL CONCERT & FIREWORKS

Celebration of Fall will be held in Lehmann Park on September 9, 2023. The event will feature Cheap Foreign Cars, The Unusual Suspects and The Red Panda Band. Food and beverages, including alcoholic beverages will be available for purchase from 3-8:00pm. Festivities include: carnival games, hay rides, pumpkin decorating, and an obstacle course. There is also a Silent Auction going on in our Metra Train Station. At 8 pm, there will be the ever popular FIREWORKS.

If you would like to be apart of the event as a vendor or volunteer please contact Corey Westman at cwestman@lake-villa.org. Vendor applications are due August 23, 2023.

Please watch our website and social media accounts for more details.
