G. Application Approval.

- (1) Within five (5) business days after receipt of a fully completed Application pursuant to this Section 7-2-9, the Chief of Police shall review same and undertake a review of the information contained in the Application to verify its truth and accuracy. If the Application is not complete, the Chief of Police shall, in writing, advise the Applicant of any additional information and/or terms needed to complete the Application. - (2) The Chief of Police's review of the Application shall take into consideration administrative efficiency and available resources, public safety, and orderly traffic flow, and an approval shall be subject to such conditions and restrictions that the Chief of Police may impose in his or her sole discretion (including without limitation, those addressing day/time availability of any such location(s), number of daily arrivals/departures to and from any such location(s), and advance notification requirements by the Applicant).
- (3) If the Chief of Police denies the application, it shall be based upon a determination that the loading/unloading of passengers, luggage or other personal property within the Village at that time, or at that particular designated bus stop, bus stand, passenger loading/unloading zone or other location presents an unreasonable threat to the health, safety, and welfare of the public and/or impedes the safe and efficient flow of traffic or imposes an unreasonable burden on available resources. If the Chief of Police denies the Application, the Chief of Police shall send by email or by regular U.S. mail a written notification to the Applicant specifying the reason(s) for the decision. Any Applicant may seek review of the decision of the Chief of Police denying such Application through the Administrative Adjudication System

of the Village by filing a written request for review of such decisions within twenty-one (21) days.

- (4) Within five (5) business days after receiving a fully completed Application, the Chief of Police, provided he/she has not determined that any information in the Application is false, untrue, and/or inaccurate in any manner, shall inform the Applicant in writing via email and by regular U.S. mail that the Application is approved. The Chief of Police shall further provide a telephone number to the Applicant or to the driver of the respective Intercity Vehicle to coordinate the arrival of such Intercity Vehicle in the Village.

H. Violations: It shall be a violation of this Section 7-2-9 for any individual or entity to violate any of the provisions of this Section 7-2-9 and/or engage in the following action(s):

- (1) The submission of an Application that is false, untrue, or inaccurate in any manner.
- (2) The failure of any entity or individual that is responsible for the care, housing, or feeding of any passengers dropped off in the Village to promptly implement the detailed plan pursuant to the terms of an approved Application.
- (3) Making an Unscheduled Stop by an Intercity Vehicle or Bus in the Village.
- (4) Initiating any transportation of person(s) and/or property to the Village without the required approval by the Chief of Police of the stop location without submitting an Application and/or failing to obtain approval of an Application as required by this Section 7-2-9.

I. Penalties: Any person or entity found liable pursuant to the Village's Administrative Adjudication System and/or pursuant to the finding of any court of competent jurisdiction, of violating, disobeying, omitting, neglecting, or refusing to comply with, or resisting or opposing the enforcement of, any of the provisions of this Section 7-2-9, upon conviction thereof, shall be punished by a mandatory fine as provided by Section 1-4-1 of this Village Code, but in no event shall the fine for any such offense be less than Three Hundred Dollars (\$300.00) for each offense. A separate offense shall be regarded as committed each day upon which said person or entity shall continue any such violation, or permit any such violation to exist after notification thereof. The Village at its discretion may enforce this Section 7-2-9 by: (1) a quasi-criminal action seeking the payment of a monetary penalty adjudicated pursuant to the Administrative Adjudication System of the Village; and/or (2) an action seeking monetary and injunctive relief filed in the Circuit Court or any other Court having jurisdiction over the violator.

J. Seizure and Impoundment of Intercity Vehicle:

- (1) Whenever a police officer has reason to believe that a violation of this Section 7-2-9 has occurred, the Intercity Vehicle shall be subject to seizure and impoundment by the Village in addition to any other monetary penalty or other remedy that the Village may pursue. The police officer may in the exercise of discretion provide for the towing of such Intercity Vehicle to a facility approved by the Chief of Police.
- (2) Upon the towing of any such Intercity Vehicle pursuant to this Section, the police officer shall notify or make a reasonable attempt to notify the owner of record,

lessee, person claiming to be the owner or lessee, or any person who is found to be in control of the Intercity Vehicle at the time of the alleged violation of the fact of the seizure and of the vehicle owner's right to request an administrative hearing on such seizure.

K. Administrative Tow Hearing;

- (1) Within five (5) business days after an Intercity Vehicle is seized and impounded as provided by this Section 7-2-9, the Village shall notify, by personal service, first class mail, or certified mail, the owner of record, lessee, and any lienholder of record of the owner's right to request a hearing to determine whether a violation of this Section 7-2-9 actually occurred. The name and address of the person to whom a vehicle is registered as shown on the records of the State in which the vehicle is registered shall be conclusive evidence of the name and address of the owner of record of the vehicle, unless the owner of record gave the Village actual written notice of a different name or address.
- (2) In order to obtain a hearing, the owner of record must file a written request for a hearing with the Records Division of the Police Department no later than ten (10) business days after the date the notice was mailed. The hearing date must be scheduled for a date that is no more than fifteen (15) business days after a request for a hearing has been filed. The person requesting the hearing shall be given at least five (5) business days' notice of the date of the hearing.
- (3) The hearing shall be conducted by the Administrative Adjudication Hearing Officer (the "Hearing Officer") of the Village appointed in accordance with Chapter 14 of this Village Code ("Code Hearing Department/Administrative Adjudication System", of Title 1, "Administrative Regulations"). The owner of the Intercity Vehicle shall have the right to be represented by an attorney; the right to notice of the charges causing the seizure and impoundment of the Intercity Vehicle; the right to present witness and documentary evidence, and the right to cross-examine all witnesses.
- (4) If, after the hearing, the Administrative Adjudication Hearing Officer determines, by a preponderance of evidence, that a violation of this Section 7-2-9 has occurred involving the seized and impounded Intercity Vehicle or Bus, then the Administrative Adjudication Hearing Officer shall enter an order finding the owner of record of the vehicle liable to the Village for the administrative fee of Seven Hundred and Fifty Dollars (\$750.00), which shall be in addition to any other penalties, mandatory fine(s) and remedy sought by the Village.
- (5) If, after a hearing, the Administrative Adjudication Hearing Officer does not determine, by a preponderance of the evidence, that the vehicle was used in violation of Section 7-2-9 of this Code, the Administrative Adjudication Hearing Officer shall enter an order finding for the owner and ordering the return of the vehicle.
- (6) If the owner of record fails to request a hearing on the seizure and impoundment of an Intercity Vehicle in a timely manner or fails to appear at the hearing, the owner

of record shall be deemed to have waived the owner's right to a hearing, and the Administrative Adjudication Hearing Officer may enter a default order in favor of the Village in the amount of the administrative fee(s). However, if the owner of record pays such fee(s) and the vehicle is returned to the owner, no default order need be entered if the owner is informed of his or her right to a hearing and executes a written waiver of such right to a hearing, in which case, an order of liability shall be deemed to have been made when the Village receives the written waiver.

L. Requirements for Recovery of a Seized and Impounded Intercity Vehicle or Bus: A vehicle impounded pursuant to this Section 7-2-9 shall remain impounded until:

- (1) The administrative fee(s) of Seven Hundred and Fifty Dollars (\$750.00) are paid to the Village and all applicable towing fees are paid to the towing agent, in which case, the owner of record shall be given possession of the Intercity Vehicle; or
- (2) A bond in the amount of Seven Hundred Fifty Dollars (\$750.00) is posted with the Village and all applicable towing fees are paid to the towing agent, at which time, the Intercity Vehicle will be released to the owner of record; or
- (3) The Intercity Vehicle is deemed abandoned, in which case, it shall be disposed of in the manner provided by law for the disposition of abandoned vehicles.

M. Posting Bond:

- (1) If a bond in the amount of Seven Hundred Fifty Dollars (\$750.00) is posted with the Police Department's Records Division or with the Village Treasurer, the impounded Intercity Vehicle shall be released to the owner of record, provided, however, the owner of the Intercity Vehicle or Bus shall still be liable to the towing agent for any applicable towing fees.
- (2) If, after an Administrative Hearing on the seizure and impoundment of the Intercity Vehicle or Bus, it is determined that the Intercity Vehicle was used in violation of this Section 7-2-9, the posted bond shall be forfeited to the Village; however, if a violation of this Section 7-2-9 is not proven by a preponderance of the evidence, the bond will be returned to the person posting the bond, and all towing fees shall be waived.
- (3) All bond money posted pursuant to this Chapter shall be held by the Village until the Administrative Adjudication Hearing Officer issues a decision or, if there is a judicial review, until a final order is entered in the judicial proceeding in which review is sought.

N. Disposition of an Unclaimed Intercity Vehicle: Any Intercity Vehicle that is not reclaimed or subject to judicial review within thirty-five (35) days after the Village's Administrative Hearing Officer issues a final written decision shall be deemed abandoned and disposed of as an unclaimed vehicle as provided by law.

O. Except where inconsistent with this Section or where the content clearly provides otherwise, the towing and impoundment provisions of Section 7-6-6, "Towing and Impoundment", of Chapter 6, "Motor Vehicle Towing and Impoundment", of Title 7,

“Motor Vehicles and Traffic”, shall be applicable to towing, seizures, impoundment made pursuant to this Section.”

SECTION 3: The officers, employees, and/or agents of the Village shall take all action necessary or reasonably required to carry out and give effect to this Ordinance and shall take all action necessary in conformity therewith.

SECTION 4: All past, present and future acts of the officials of the Village that are inconformity with the purpose and intent of this Ordinance are hereby, in all respects, ratified, approved, authorized and confirmed.

SECTION 5: The provisions of this Ordinance are hereby declared to be severable and should any provision of this Ordinance be determined to be in conflict with any law, statute or regulation by a court of competent jurisdiction, said provision shall be excluded and deemed inoperative, unenforceable and as though not provided for herein and all other provisions shall remain unaffected, unimpaired, valid and in full force and effect.

SECTION 6: In the event of any conflict between the provisions of this Ordinance, the other provisions of the Village Code, or any other code, ordinance or regulation adopted by the Village, the provisions of this Ordinance shall control and prevail in all instances.

SECTION 7: All code provisions, ordinances, resolutions, rules and orders, or parts thereof in conflict herewith are, to the extent of such conflict, hereby superseded.

SECTION 8: A full, true, and complete copy of this Ordinance shall be published in pamphlet form.

SECTION 9: This Ordinance addresses an urgent concern confronting the public health, safety and welfare within the Village and, therefore, said Ordinance shall be in full force and effect immediately from and after its passage.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Lake Villa, Lake County, Illinois, as follows:

SECTION 1: The Mayor and Board of Trustees hereby find that the recitals hereinabove set forth are true and correct and are incorporated into the text of this Ordinance as its findings to the same extent as if each such recital had been set forth herein in its entirety.

1. One-way stops:

Street	Direction	Intersecting Street or Location

* * * *		

SECTION 4: Section 7-1-3, “Designated Streets and Intersections”, of Chapter 1, “Traffic Regulations”, of Title 7, “Motor Vehicles and Traffic”, of the Lake Villa Village Code is hereby amended by the addition of a new Subparagraph E, “Right-In, Right-Out Intersections”, as set forth below:

SECTION 5: This Ordinance and the traffic regulations herein provided shall be effective upon: (a) improvements being installed at the intersection of Burnett Avenue and Milwaukee Avenue by the State of Illinois, Department of Transportation, or by its contractor, which improvements shall be designed and intended to prevent and/or discourage traffic movements inconsistent with the above traffic regulations (i.e., a so-called “pork chop”); and (b) when such improvements have been completed by IDOT or its contractor(s) and the required sign(s) giving notice of such regulators have been installed and then approved by the Village Administrator or by his or her designee.
